Hassan District,
H a s s a n

Respected Sir,

We the villagers of Aduvalli village, Hassan Taluk and the atchakatdars of the Beeranahalli tank, Hassan, beg to bring the following few lines for your kind consideration and favourable orders

Your Honour, is already aware of the fact that the abovesaid Beeranahalli tank is proposed to be breached in the interest of the Hassan Town Improvement and that action has already been taken by the Government to breach the tank early In this connection, we beg to state that if the tank is breached in these hard days ¢for struggle for food, all of us who are the holders of the lands in the atchakat of this tank will be put to ruch hardship,as we will be deprived of the only source of our livlihood Our struggle to procure rice and ragi in these Ration days, knows no bound We therefore, beg to pray that till the present food situation is over, the tank may not be breached and we be allowed to enjoy the lands as usual,till good times come

We further beg to state that we learn,that it is proposed to give the compensation for ahquiring the lands under this tank, only a sum of Rs 500/- is proposed to be given ~~xxxkx~~ per acre We beg to state that this sum is too low considering the present market value of the agricultural lands,specially in the locality of such important towns as Hassan The compensation charges may kindly be enhanced to Rs 1000/- per acre instead of 500/-

For this act of kindness we beg to pray for your long life and prosperity,Sir,

We beg to remain,
Respected Sir,
Your most obedient servants,

Atchakatdars of
Beeranahalli Tank,Hassan

Subject Acquisition of lands of Beernahalli, Aduvalli and Hassan villages under Atchakat of Beeranahalli Ta for the formation of house sites in favour of Hassan Town Municipality

---

With reference to your D O letter No L 3395 dated 7th September 1946 requesting to expedite the submission of the records pertaining to the above, I have the honour to state as follows -

2 The preliminary notifications were widely published in the localities concerned The Atchakatdars of the Beeranahalli tank have submitted a petition representing that in these hard days the Beeranahalli tank may not be breached as they would find themselves in great trouble on account of food grains if it is breached, and that the compensation of Rs 500/- per acre is too low and they pray that at least the compensation may be paid at Rs 1000/- per acre considering the market value of the agricultural lands in Hassan town But I consider that as the proceedings for the acquisition of the above lands have been started and pushed through, the representation of the Atchkatdars is untenable, as the acquisition is for the purpose of improving the sanitation and public health, as previously reported As regards the prayer for payment of higher rate of compensation, thi question will be disposed of by the Land Acquisition Officer, who is competent to fix it up on merits I request that sanction of Government may kindly be obtained for the acquisition of the lands for the Hassan Town Municipality and the S - C Hassan being empowered to perform the functions of the Deputy Commissioner The Final Notifications have been enclosed duly countersigned The entire file of records accompany

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Hassan District
